OXC - 0387

15 March 1960

	MEMORANDUM FOR : Security Officer, DFD
	SUBJECT : FIC Request for OXCART Clearences
	REFERENCE : PIC/D-18-60, 1 February 1960
5X1	advises that he has requested FIC to determine readout equipment requirements (lead times, costs and types, etc.) if the mresent perkin-Elmer camera system is used on the OXCART program. 25X1 that this matter must be raised now in view of the long lead times required to procure specialized equipment.
5X1	2. states that is aware of OXCART due to his 25X
X1	involvement in the preparation of a briefing paper for Mr. Lundahl. Further, that probably will be called upon by Lundahl to work on the problem 25X
5X1	mentioned in paragraph 1, above. Mr. James C. Cunningham advised that 25 is ewere of a CHALICE follow-on activity. In view of this,
	may be cleared for OXCART.
(1	3. Emy require an OXCART clearance at a later date, but not at this time.
X1	because of his position, may be given an OXCART clearance.
